

Weekly Casualties Review.

Killed, Wounded, Prisoners and Missing as officially announced during the past week for North Carolina and Richmond County.

RICHMOND COUNTY.

(Some of these names have already been mentioned in the Post-Dispatch but are just now being given through the official lists.)

Marshall N. Nash, Rockingham, wounded.
Cpl. Hollie L. McDonald, Rockingham, missing in action. (Elsewhere in this issue appears a letter from Hollie in which he states that he had been gassed and had been in a hospital for a week. His letter was dated Nov. 4th, so that doubtless there is a mistake about his being "missing in action.")
John F. Lentz, Roberdel, wounded.
Mitchell Stones, Rockingham, wounded.
Walter H. Davis, Rockingham, wounded.
Marcus K. Little, Rockingham, wounded.
Robert N. Covington, Rockingham, wounded.

If You Are Awake, Read This; if You Are Asleep, Another Time Will Do.

Buying an automobile is purely a business proposition with ninety per cent of the people who own cars today.

Sixty per cent of the car owners throughout the country are farmers.

Successful conduct of your daily business affairs demand that you own a car, otherwise you are left on the roadside to watch the swiftly passing business procession as it sweeps by you.

It goes without saying; any business man who pretends to keep abreast with the busy world today, must have a car; without one, there is serious loss-motion in his business life.

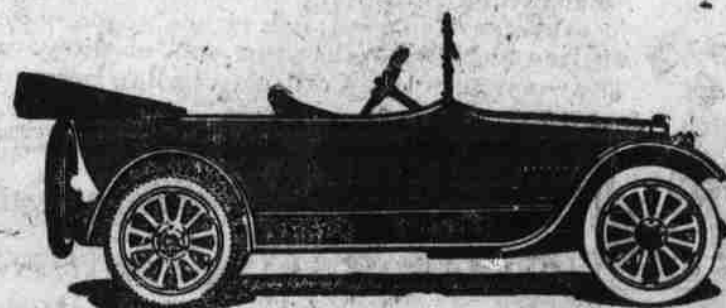

In the face of the new world, as it appears before you today, start thinking,--get in the procession--stay with it and at the end you will be in position to claim your part of the good things the world has promised each of us; -- but --

- It Requires An Automobile if You Keep up -

We sell the Buick and Chevrolet Cars. Buy a car for a Christmas present to the whole family. We will sell you on most any terms you like.

SEE US QUICK. The rush will soon be on.

Be in time to get yours.
